MESSAGE FROM THE FOUNDERS

Ps. Michael & Flavia Kirungi

Founders, Mifik Global Mission

We are deeply honored to share Mifik Global Mission's 2025 accomplishments with you. This past year has brought remarkable impact across our communities in Uganda, made possible through your faithful partnership. Your generosity is the lifeblood of this mission transforming lives, restoring hope, and enabling us to share the Gospel of Jesus Christ with children and families who need it most.

As we look ahead to 2026, we do so with great expectation. Our prayer is to see at least 200 children currently on our waiting list sponsored, granting them access to quality education, healthcare, and Christ-centered discipleship. We are also committed to advancing our life-giving Christian campus by completing the second floor of Mifik Junior School, beginning the third floor to support a future boarding section, and continuing construction of Mifik Community Church.

Thank you for your faithfulness and commitment to transforming lives in Uganda. Through your support, cycles of poverty are being broken and a new generation is rising hopeful, equipped, and rooted in Christ. As we move into the new year, we warmly invite you to continue this journey with us and please let us know if you would like to join one of our upcoming mission trips to Uganda as we serve together in 2026 and beyond.
